

A little bit about me

I'll write here a little about myself then.

I was born on May 22, 1970. In Tallinn, Pelgulinna children's clinic at 09:45 My father and mother give me name "Anti" it was abbreviation from my father's father Andres Puusepp, who was called also as "Andi" so I was given name by my grandfather

And since then, I have simply lived by the rules of this world as it has been so far.

I got my hymen... And since November 1, 2020, I created my FaceBook account called My Soul:
